Waterford's Best
Mr. Shunck

Let's look back four years ago when we were just entering high school. Seems just like yesterday, doesn't it? Well, a lot of good things and good times have happened since then. Everyone really worked hard to see the day when the new building would be finished. That day finally arrived this year and every single student and member of this community is mighty proud. We are grateful to the many people who made that dream come true. One of the people who did a lot to accomplish this feat is our Superintendent of Schools, Mr. William Shunck.

So, the seniors of 1951 dedicate this book to Mr. William Shunck, who made it possible for us to graduate from a fully accredited Waterford Township High School, a school which any student would be proud to attend.

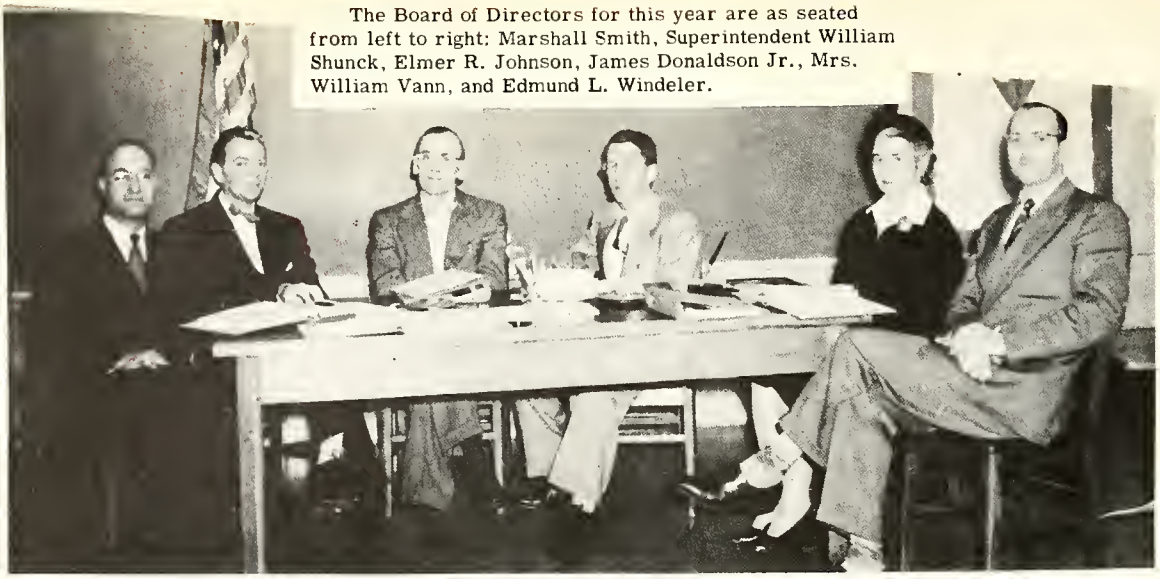
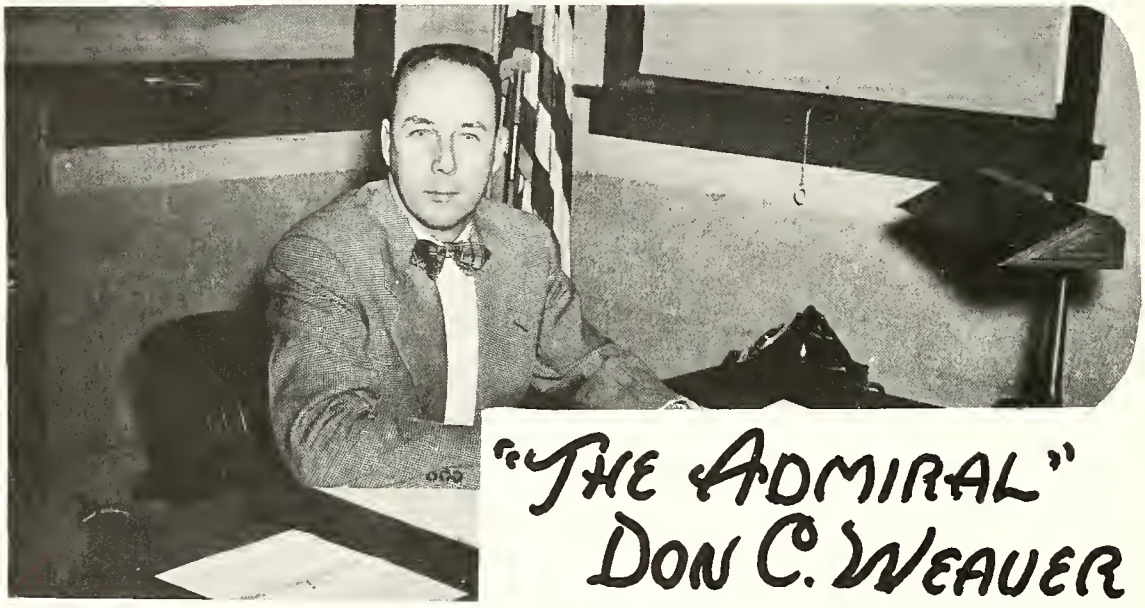
FACULTY

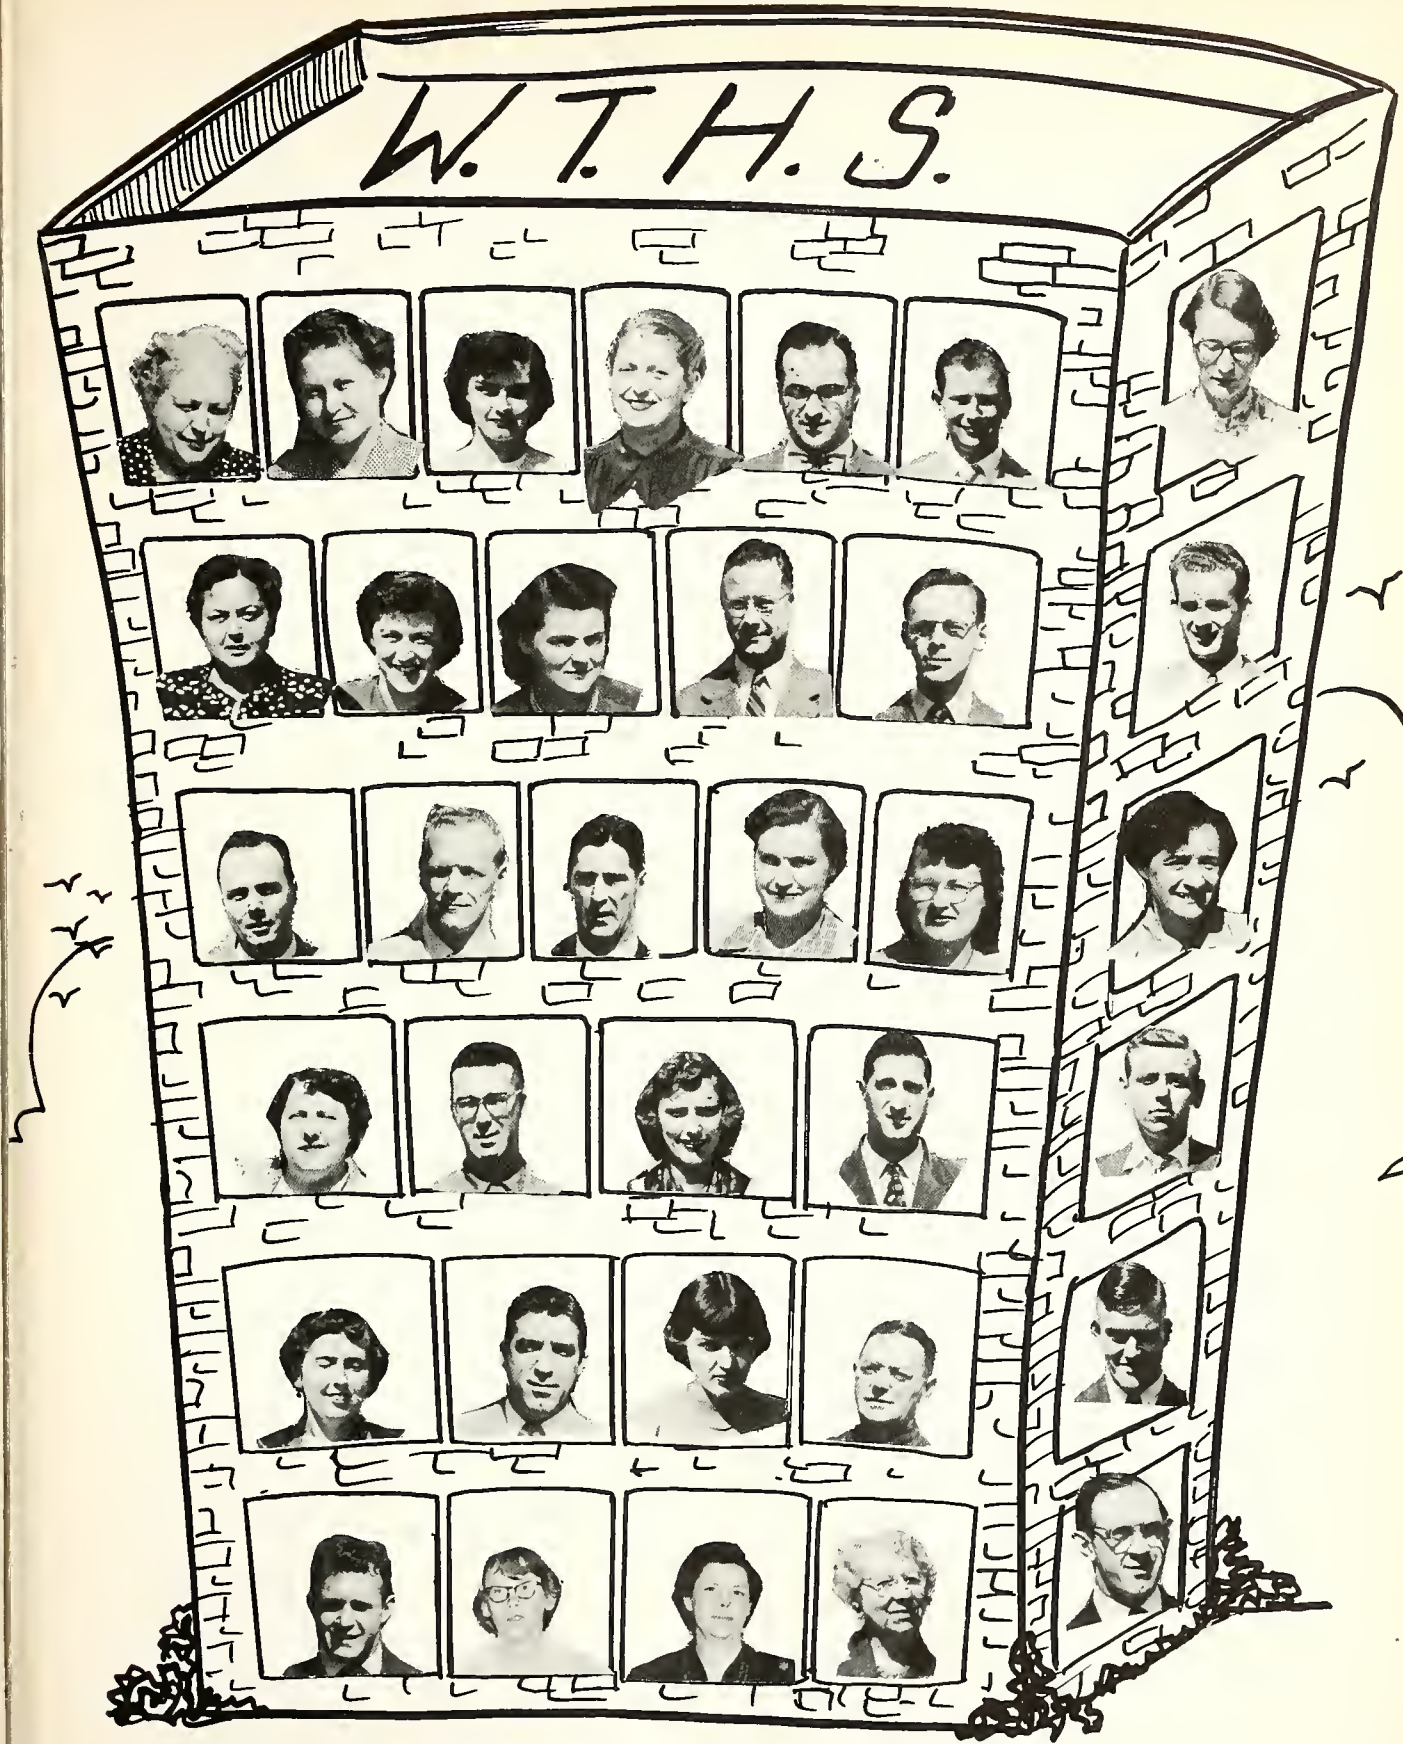


The Board of Directors for this year are as seated from left to right: Marshall Smith, Superintendent William Shunck, Elmer R. Johnson, James Donaldson Jr., Mrs. William Vann, and Edmund L. Windeler.



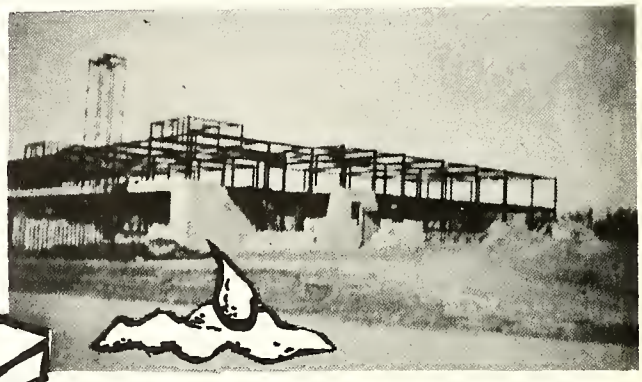
"THE ADMIRAL"
DON C. WEAVER

Our cheery office staff consists of left to right, Helen Bulla, Assistant Principal; Bertha Bryce, Office Secretary; Lela Jeffery, Counselor; Kay Leslie, Office Secretary; and Emma Olson, Office Secretary.



Row 1: A. Carey, F. Pomeraning, E. Baker, E. Isaacson, P. Pety, R. Grambau, B. Lindsay.
Row 2: L. Jeffery, E. Olson, A. Blair, A. Sanford, L. Manhart, J. Fry
Row 3: E. Crane, M. Bisdee, N. Urick, F. Dawson, C. Bisdee, M. Vackaro.
Row 4: H. Bulla, D. Cook, K. Kressler, S. Ortiz, L. Griffin.
Row 5: P. Looman, A. Hinckley, S. Houghton, R. Doeksen, A. Lake.
Row 6: C. Hackett, B. Frank, E. Carter, F. Day, F. Garland.

Going UP!



This year marks the fourth year that students have attended Waterford Township High School.

The above picture on the right shows our first school and some of the school busses. This was the building that the Seamen attended for three and one half years.

Below on the right is a group of the students inspecting our present high school while it was in the process of being built.

Two of the most important people among us are our janitors. Mr. Sutton and Mr. Mayer have worked hard to keep our buildings looking like a real up to date high school.

SENIOR PROM

Class History

Miss Helen Bulla,
Senior Class Advisor

It was a large peppy group that started off in 1946 to enjoy four exciting years in Waterford Township High School. Now this class, the largest to have attended Waterford yet, is saying farewell for they are mighty seniors and have come to parting ways. While they were still in school, they worked hard to build up their treasury and by the end of their freshman year they had accumulated $516.44. This was made by paper drives, dances, a box social, and fudge sales.

As sophomores the class made over a thousand dollars working on many of the same activities. They ended with a grand total of $1540.71.

By the time they were juniors the class was pretty well on their way towards their final goal and especially a nice senior trip. Their most prominent events during this year were the Showboat and the Junior-Senior Banquet. At the end of the year the treasurer's report was $1882.43.

Then the great day came. They were seniors ! Their year was full of money making activities, including dances, Bar W Roundup, fudge sales, and paper drives. Then in May came the annual prom held in the new high school and to top the whole four years--the senior trip to Portage Point.

There were a lot of happy times in those four years, and they will be treasured for life by the seniors of 1951.

JUNIOR CLASS HISTORY

Mr. Frank Garland,
Junior Class Advisor.

To begin this year the junior class chose Jack Hruska, president; Robert Turnbull, vice-president; Marietta Mack, treasurer; and Gail Pratt, secretary. Showboat was the highlight of this year's events. They also put on an assembly.

Looking back three years, as freshmen, this class sponsored several Wednesday night dances along with holding an auction sale at the high school.

As sophomores the class welcomed in the new freshmen by holding a Freshmen-Sophomore Mixer. During the second semester, they staged a style show in which members of the class modeled current styles in clothes.

With just one more year left, everyone wishes the coming seniors a most eventful year.

Highlighting the year '51 was the Sophomore Style show with the clothing being modeled by class members. Cooperation combined with the guidance of class advisors and chairman Miss Ann Blair gave the style show plus the annual Freshman-Sophomore Mixer along with various other student affairs the zing that is necessary for success. With this to back them up, the class of 1953 should take with them courage and determination to weather future school adventure in the following two years.

Miss Ann Blair,
Sophomore Class Advisor.

Varsity Scores For 1950

Waterford	39	0	Bloomfield
Waterford	32	6	Clarkston
Waterford	32	6	Madison
Waterford	0	7	Fitzgerald
Waterford	20	21	Roseville
Waterford	6	20	Brimingham
Waterford	6	7	Keego Harbor

Three wins against four losses doesn't sound like a good football record, but how the team took its losses is another story. When rival coaches will come over and congratulate the coach of his opponents for the sportsmanship displayed by his team, the school can be well proud of her gridiron boys, and Waterford is proud of them.

Waterford started the season out in style as they blanked Bloomfield 39-0. Next their arch rivals, Clarkston, met the Skippers on the brand new Waterford field and were outscored 32-6. Was also the score of the Madison game as the Skippers took their third game. The undefeated Skippers then locked horns with an undefeated Fitzgerald and came off second best, 7-0, although they out-gained the Fitzgerald eleven in downs and yardage. Going ahead in the last 40 seconds and then losing by one point in the last 15 was a heartbreaking experience that the Skippers suffered at the hands of Roseville.

Birmingham handed a 20-6 loss to the Skippers as quarterback Sam Savas tried to find out who he was for three quarters. As a final heartbreaker the Keego Harbor Presidents edged out a one point margin to defeat the Skippers 7-6.

Injuries side-lined most of the varsity at one time or another as injured ribs, wrenched knees, sprained elbows and ankles, and mild concussions took their toll of players. Rare was the game when the complete first string finished.

The Skippers' offensive was good considering the fact that a different man played a different position in nearly every game. Passing was quite strong as Konzer and Savas pitched to Parmenter and Wyckoff for first downs. Needing a yard or two, it would be Thomason through center or a quick sneak around end by Radtke. The pass defense was not the best, but the line was good and stopped many teams from scoring on the two-yard line.

Varsity letter-winners are:

Gary Hetherington
Bill Ackerman
Stan Larkin
Jerry Ball
Dean Parmenter
Bud Thomason
Art Ruelle
Don Card
Dick Radtke
Jim Hruska
Lynn Wyckoff
Sam Savas
Bruce Anderson
Jack Frizzle

The Varsity Skippers won eight out of eleven games for a winning percentage of .727. The team scored 46 times while only 25 runs were marked against them. In each of their three losses, Waterford lost by two runs. Cranbrook won 5-3; Keego Harbor won by a score of 6-4. The Skippers were held scoreless by Rochester 2-0, for the only time. It didn't come as a surprise though, they were held hitless also.

Backstop Leo Larkin captained the team and did an exceptional job of it using brain power when arm power failed. On the mound were Lynn Wyckoff, Jack Frizzle, and Bill Tomlinson. All three of these pitchers did very well on the mound as the scores show

Although Skipper power at the plate was poor, their fielding wasn't. Very few balls got misplaced by the gardeners. Strangely enough the varsity Skippers had all sophomore outfield in Rose, Senk, Thomason, and Cuthrell. Third and first were held by juniors, Savas and Parmenter, while second and short were held by seniors, Studt and Stamp.

Baseball letter-winners were few, ten in number. Varsity baseball letter winners are Lynn Wyckoff, Jack Frizzle, Leo Larkin, Dean Parmenter, Max Stamp, Bob Studt, Sam Savas, Bud Thomason, Bill Tomlinson, and Marshall Rose.

CHEERLEADING

The hardest workers at a football game are not the players, but the cheerleaders. Come snow, cold, or rain these pretty lassies of Waterford urge their boys to win with that unbreakable spirit that distinguishes them as cheerleaders.

The youngest cheerleader at Waterford made her debut at a few of the games, little Ginny Fry, complete with uniform and "Yea team."

Sophomore..... FOOTBALL

If a team ever has a right to be proud of itself, the sophomore team has. As a green freshman team, under Coach Hackett, they blanked three teams, tied one and lost one. This year they again blanked three teams and won five of their six games. They were held scoreless for the only time in two years as the Pontiac J. V. outplayed them 13-0. In two years the team has scored 226 points while allowing only 58 in eleven games for a two year total of 8 wins, one tie, and 2 losses, the best record of any Waterford team in interscholastic sports.

The offensive play was again spearheaded by southpaw Jack Kratt, quarterback of the team. Kratt pitching with Geror and Upham catching, would set up a run by Wheeler or Jacober to drive opponents crazy. The whole team deserves credit for defensive play as the records show. The team had no one captain as a different player captained each game.

Freshman Baseball

Sparked by the pitching of Jack Kratt and Darryl Konkle, the freshman baseball team had a brilliant season under the leadership of Coach J. Hackett. In six games the team won all but one of their scheduled games for a winning percentage of .833. They were defeated by a vengeful Dublin team in their second meeting.

The Cabinboys scored twice as many runs as they allowed as they tallied 67 times while their opponents crossed the plate only 32 times.

Team pride and "you got to prove you're better than us to win" attitude displayed by both coach and team alike put the team in the winning column after others had already conceded the game. Confidence in themselves and teammates kept their morale high as the team never said "quits".

The Cabinboys, despite their confidence, however, lost to the Varsity Skippers 9-3 in a non-scheduled game arranged by coaches Hackett and Ortiz at the request of both teams.

Freshman Scores for 1950

Waterford	5	4	Bently

Varsity Track

Waterford's track team, in its second year under Coach C. Opie had its first winning season in 1950. With one year's experience behind them, the Waterford mile-makers set down in defeat St. Mary's, Walled Lake J. V., and St. Michael's track teams. The team took first place in a triangular meet with Bloomfield and Keego Harbor.

Losses were suffered by the team as Clarkston and Pontiac J. V. outpointed them to win. The team participated in the River Rouge Relays and Central Michigan Relays but failed to place although they did take sixth place in the Regional Meet.

There were many boys out for track and fourteen came through to win letters. Those winning letters were: Paul Allen, Bob Barnard, Bob Brown, Doug McCarty, Jerry Lafay, James Taber, Ernest Whaley, Ed Konzer, Al Probert Sherwood Ebey, Bud Millmine, Jack Nelson, J. Ladd, and George Scott.

Senior Life Saving

Do your MUSCLES ache? Are your hands wrinkled? If they do, then my friend you were a member of the 1951 senior lifesaving class. These swimmers learned everything from side and breast stroke to putting your foot in a drowning man's face if he co-operated the wrong way.

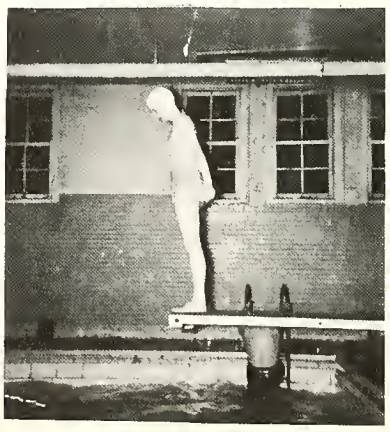
Ten weeks of learning strokes, carries, approaches, and release holds in the water left the swimmers tired, but with a good sound knowledge of the water and its victims.

The class was taught by Mr. and Mrs. Isaacson, assisted by Kay Leslie. Bud Millmine, Bruce Anderson, Phyllis Berry, Barb Zoch, and Margaret Schenck passed the course last year, but returned to assist this year's trainees.

Members of Senior Lifesaving are: First row left to right: Rick Jones, Jim Smith, Joe Strelecki, Art Ruelle, Jack Prible, Bill Quine, Jack Hruska, Mrs. Isaacson, Margaret Schenck, Betty Clark, (kneeling), Gail Pratt, Nelda White, Barbara White.

Second row: Jerry Rose, Jim Hruska, Marilyn Moore, Betty Jarrard, Kay Leslie, Esther Mendez.

Third row: George Scott, Bruce Anderson, Phyllis Berry, Bud Millmine, Tom Lemaster



Bowling!

The bowling league, under leadership of Mr. Crane and Mrs. Baker, was organized just for the love of bowling. The league bowled at the West Huron alleys every Wednesday afternoon and the students exhibited their pleasure in strikes, gutterballs, horseplay, and various forms of contorted "body English".

Student officers of the league are, from left to right (below), Curtis Neal, president; Dixie Keppel, secretary; and Barbara Jo Zoch, treasurer.

The league started with fourteen teams and finished with eleven. The Pin Wizards came out top dog by one game and each of its players was awarded trophies.

Members of the Pin Wizards are: Paul Lampkin, Clare Johnson, Bill Snyder, Bill Schlunt, Bob Pearson.

League Teams

Final Standings of the eleven teams are:

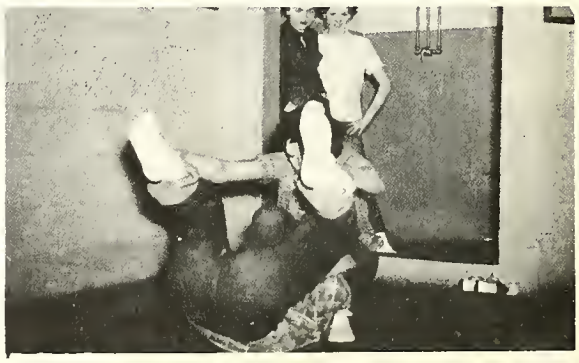
Girls' Gym

Pictured are senior and junior girls of Miss Kressler's gym classes going through various tumbling and acro - batic routines. Pyramids and roll-overs are just another day's work to the girls as they master one tumble after another. Dancing was a variation, and, while we were still in the old adminstration building, the lilting music of various dance bands could be heard through the hall of W.T.H.S.

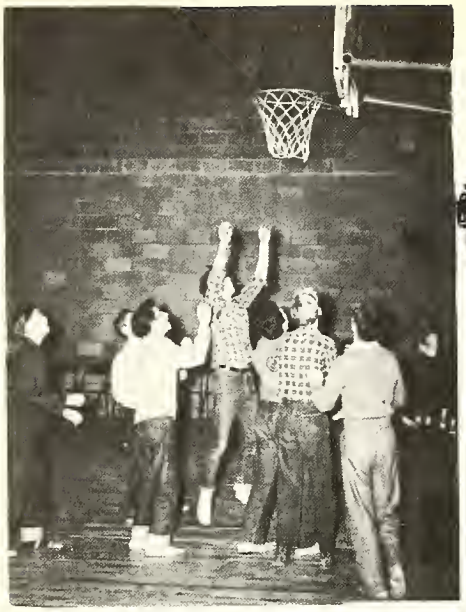
The sophomore girls under Miss Blair had vigorous workouts in the fine arts of calisthenics. Dancing and tumbling also took place and when weather permitted, all of the girls' classes went outside to play volleyball, softball, and a modified game of soccer.



During the first seven months of the school year the gym of the new high was uncompleted, so the large share of Coach Ortiz's classes played "Commando Speedball" in the snow or football. Ping-pong and tumbling indoors, however, was the retreat against slushy weather.

Boys' Gym

Weight-lifting, ping-pong, and tumbling marked the work of Coach Hackett's sophomore boys with various exposures to "Commando Speedball" and a new game, "Fleetball," which consists of a ball of about 4 feet in diameter and bruises galore. Variety never goes begging at Waterford in sports.



FRESHMAN GYM

The freshmen were hampered for the first six months as they went to school at the C.A.I. building. Gym was limited to Tuesdays and Thursdays. However, the freshmen did have a variety of sports. In the fall softball, volleyball, basketball, and football was played outside. During the winter months, the boys played basketball in the building, while the girls danced or played kick-ball. Entering the new high school, the boys quickly learned tumbling, weightlifting and tricks on the chinning bar. Organized calisthenics and dancing were learned by the girls.
